

April 2017 Administration Commission Minutes

John Peterson
Randy Haney
Joe Faeh
Tom Biechler
Pat Upton
Kathy Gergen-Mandel

March minutes were approved

Technology provider selected. Imagine IT has secured the contract. Technology committee will review recommendations of technology provider and help with onsite work as needed. Provider will work with our technology committee.

Financial Development: will focus on three primary events. Harvest Fest; Garage Sale and Emerald Gala. Considering extension of capital campaign for 9 months. Will notify the parish when the decision is made.

Building and Grounds: repair and replacement schedule has been modified. Additional review will happen and then move forward in process.

Garage sale: gathering volunteers for the garage sale. Revenue from the sale being allocated to specific projects.

Cemetery Update: The existing crucifix has been refurbished and the new corpus has been installed. Both look wonderful! Some of the proceeds from the upcoming garage sale will be applied toward the refurbishment of the crucifix – which will make the entire project a donated enhancement.

Facilities engineer has been hired and will start in late April.

Hymnals and projection: hymnals are coming and request has been made to parish for sponsorship of books. Additional information will be posted in the bulletin.

Financial Update: stewardship reminders will be going out to parishioners.
